13th June 2025

Dear Parent/Carer,

Re: CS and CTS Revision

I hope this letter finds you well. I am writing to you today to inform you of revision sessions that are now available for your young person in the Computer Science Department.

On Tuesdays after school (15:20-16:20) we are offering a revision session for Computer Science GCSE.

On Thursdays after school (15:20 – 17:00) we are offering a revision session for Creative and Technical Enterprise GCSE.

Both sessions will take place in G105 and will start the week commencing 16th June 2025.

These sessions will return at the same times and same days in September to prepare your young person throughout year 11.

Many thanks,

Mr Moloney
Head of Computer Science
Head of Creative and Technical Enterprise
