

10th June 2026

Dear parent/carer of Year 11,

We are nearly at the end of what has been a very long journey! We have had so many positive comments from the external invigilators about the conduct in the exams, it has been a pleasure to hear.

On Monday 15th June, we have the last full exam and for most (sorry Spanish students!) it is the end of the GCSEs! Certainly a time for celebration but also where we have to complete some admin tasks as well:

At the end of the exam:

1. Yondr pouches will be collected in. These are school property and need to be returned in a useable condition as they will be used for the new Year 7 cohort joining us.
2. Any unwanted calculators can be exchanged for a chocolate gift! Most never want to see a calculator again!
3. Any unwanted items of uniform or PE kit - blazers/ties etc, we shall gladly take off your hands. These items can be dropped off to reception at any time.
4. Lockers need to be emptied and keys returned to Student Services.
5. Any revision guides or textbooks, we would also make good use of.

Please remember that you are all part of the Passmores family and we are here if you ever need advice or guidance.

Wishing you well,

Jo Connolly
Assistant Principal
