

18th March 2025

Dear Parent/ Carer,

Re: Higher Maths Bootcamp Day

Your child has been selected by the mathematics department to take part in a maths revision day on **Monday 24th March 2025**. This will take place at the **Harlow Study Centre** from **9am-3pm**. With prior parental consent, students can meet us at Harlow Study Centre at **9 am**. Students who wish to leave directly from school will need to meet in **G005** at **8:40am** to leave time to travel to the venue.

Students will be provided with some snacks, beverages and pizza, but your child is welcome to bring their own food to eat during the breaks. Students may also wear non-uniform.

We will be departing the **Harlow Study Centre** at approximately **3pm** to return to school. Students with parental consent may leave directly from the venue.

This is a fantastic opportunity for your child to fine tune their mathematical skills ahead of their GCSE exam. At the end of the day, students will be provided with a variety of revision material to help them to continue their revision.

If you know that your child will be unable to attend, please notify either Ms. Blake or Mr. Walsh by phone or email as soon as possible. This will allow us to offer the opportunity to another student.

Please complete and return the permission slip below if you are allowing your child to travel to and from the venue alone.

If you have any questions or concerns, please do not hesitate to contact me.

Yours faithfully,

Ms. Kathleen Blake

Head of Mathematics
