

21st May 2026

Dear Year 11 Parents and Carers,

I am writing to inform you of a change to the school day schedule for Year 11 students on **Monday 1 June**.

On this day, Year 11 students should arrive at school for **1:15pm** in order to attend **Periods 4 and 5**, during which they will take part in important **Physics revision sessions**.

The only students who need to arrive before Period 4 are those who have a **Citizenship exam in the morning**. These students need to arrive at 8:00 for a revision session or 8:45 for their exam. These students may sign out after their exam and then return to school in time for Period 4.

The Physics revision sessions are an important opportunity for students to build confidence ahead of their examinations. The sessions will be led by Physics specialists and will focus on addressing areas of weakness identified from the most recent mock examinations.

It is required that students attend all revision sessions for upcoming exams, as these sessions will provide targeted support and help students feel better prepared. Please remind your young person that the must sign in & out on the Year 11 registers by the door, so we know who is in the building.

Thank you for your continued support.

Yours sincerely,

Miss Wilhite

Associate Assistant Principal | Head of Department - Science
