Friday 20<sup>th</sup> June 2025 Issue 34

Harlow Town Park

Dear Parent/Carers,

It's official—Year 11s have wrapped up their exams!

No more tests, no more stress.

They have all worked incredibly hard, now it's time to enjoy the freedom. We look forward to celebrating with those who are coming to The Prom next Thursday.

This week I have had the pleasure of attending two events. Firstly, on Tuesday I was at the Playhouse for the Jack Petchey Awards, more details are provided within the newsletter, but as always it was joyous. And then Wednesday I headed to Hylands House for the Essex Teaching Awards. Our Hub Team and Sue Padbury both came away with Highly Commended Awards. It was a wonderful occasion, and we can't wait to recognise staff again next year.

Although it has at times been unbearably hot, our students have been great this week and moving to PE kit has definitely helped many. However, we are hoping for a tad cooler weather for Sports Day next week!

And to our year 7's heading off to Mersea on Sunday, have the most wonderful time!

### Thought for the Week

This week, tutor time marked LGBTQ+ Month. Students explored why celebrating this month is so important and how it contributes to a more inclusive and respectful school environment. The session aimed to:

- Promote acceptance and respect for all identities
- Raise awareness of LGBTQ+ history and contributions
- Challenge harmful stereotypes and myths
- Support LGBTQ+ students through visible allyship
- Encourage empathy and emotional intelligence
- Foster a sense of belonging
- Prepare students for life in diverse communities
- Reinforce human rights and equality
- Connect with curriculum areas such as PSHE, history, and literature
- Celebrate the strength and beauty in diversity

These conversations are vital in creating a safe, supportive and empowering school environment for everyone.

---

### In the News

This week also saw students engage with Drowning Prevention Week, a timely and vital topic as summer approaches. Students learned:

- How to stay safe near water (pools, rivers, lakes, the sea)
- The dangers of cold water shock, currents, and unsafe swim areas
- How to respond safely in emergency situations
- The importance of personal responsibility and peer education
- How water safety links to broader themes in PSHE, PE, and science

The session empowered students with knowledge that could potentially save lives—either their own or others’.

### Other News

It’s been a busy and exciting week at Passmores!

- Year 10 students began their mock exams with focus and determination. Staff have been incredibly proud of their attitude so far.
- Year 7 and 8 students took to the field for their Sports Day events. The House spirit was electric, with teamwork, encouragement, and some impressive performances on display. Every point earned adds up in what is becoming a tightly contested competition.

## Looking Ahead to Next Week...

Next week is shaping up to be one of the busiest of the year!

- Thought for the Week will explore different Paths to Success, encouraging students to think about personal goals, resilience, and defining their own version of achievement.
- In the News will see students tune into BBC Newsround, discussing the latest headlines and sharpening their awareness of the world around them.
- Year 10 mock exams continue.
- Year 7 students will head off on their exciting Mersea trip.
- On Thursday, we welcome future students during Year 6 Induction Day and celebrate our leavers at the Year 11 Prom.
- And to finish the week on a high, it's the whole-school Sports Day on Friday — a chance for the Houses to battle it out and for students to showcase teamwork, pride, and athleticism.

Wishing everyone a brilliant week ahead — bring your best energy as it's going to be a busy one!

## School Production News

Happy Friday once again peeps! We're back with news of our performance earlier this week at the Jack Petchey Awards ceremony at Harlow Playhouse.

Some background info for you first.... The Jack Petchey Foundation have been giving funding awards to young people and various group leaders since the late 90s. The foundation was set up to encourage and reward young people that demonstrate outstanding achievement in an area of their choice. The awards are nominated by staff or leaders usually and a panel of young people choose the winners (anonymously of course), empowering our younger members of society, and drawing down funding to a variety of youth groups from arts to sports to academia and more. All winners are invited to an awards ceremony, and they choose where the £300 funding reward gets spent. As you can imagine, thousands of youth groups have benefitted from this foundation over the years in schools as well as in community groups.

So, as subscribers to the Jack Petchey Foundation, we are invited to perform at the ceremony every year. It provides our young performers with a wonderful opportunity to showcase their talents in a professional theatre and keep Passmores Academy in the spotlight for arts education.

After a last-minute rehearsal and re-work of some choreography after school on Tuesday, we shipped all our Golden Ticket Winners and Wonka into the minibus and across the town in time for a costume change and soundcheck at The Playhouse. We had the illustrious position of opening the event and the choice to do "Strike That, Reverse It", the act 2 opener from Charlie & The Chocolate Factory, turned out to be a perfect decision. Cast members did a fantastic job of exuding energy and wonderful characterisation throughout the 5 ½ minute track. Their delivery of the song and the storytelling involved was excellent and was received with whoops and cheers from the audience at its close. What a fabulous evening! The performance has also been entered for a new competition by the foundation, the Take the Stage Challenge. Our performance will be submitted, alongside others, from groups all over the country. Each term, the winning performance will receive a £1,000 prize, with additional runner-up prizes of £500 and £250 for their school or youth organisation. Watch this space to see if we are good enough to get one of these! Obviously, this has just left us all in an even more excited and enthused state as we hit the final two weeks of rehearsals.

*Continues on the next page...*

So, getting back to business... A reminder that all cast members are required for all rehearsals as we pull everything together this fortnight. We know that we are going to be missing a number of our younger cast members as they venture off to Mersea on Sunday, please be reminded that they are all expected back at rehearsals on Thursday next week.

An update on tickets.... seats are booking fast; we are over half full already for the Tuesday and Thursday performances, and nearly at the halfway mark for the Wednesday evening. If you haven't booked your seats yet, please get in there to avoid disappointment. It is likely that all three performances will sell out and we would hate for you to miss your chance to experience the joy, chaos and all-round wholesome, feelgood vibes that come from an evening of entertainment by our talented performers.

Tickets can be booked here: <https://www.ticketsource.co.uk/passmoresacademy> make sure you get yours sorted to avoid disappointment.

No doubt we'll be back with a pre-show update soon. In the meantime, enjoy the sun, remember to wear sunscreen and enjoy the summer solstice and longest day of the year this Saturday.

### Duke of Edinburgh

We are very proud of our year 9 & 10 students for completing their Duke of Edinburgh Bronze & Silver Assessments. The dedication & teamwork from both groups was amazing! They showed excellent navigational skills throughout the whole trip.

Every student helped, whether it was navigation, putting up the tents, cooking or even just keeping up the morale! It was lovely to see everyone care for each other.

Excellent work everyone!

## Sports Day

Our annual school sports day will take place on Friday 27<sup>th</sup> June.

We would request parents and students to take note of the following details:

- Students must arrive in House colours or Passmores PE kit. This includes correct footwear for the day (no Vans/Converse/flip flops/sliders/crocs).
- Students must have all books and equipment for periods 1 – 4 in case of postponement due to unsuitable weather.
- Break and lunch will be slightly altered in order to run the day more effectively.
- If it is warm students should have SUN PROTECTION / CAPS / STILL DRINKS.
- Students will need preventative medicine if they suffer from asthma or hay fever. There will be first aid on hand, with an adult outside for the duration of the day whilst the events are going on.
- Any questions, please feel to contact Mr Martin: [a.martin@passmoresacademy.com](mailto:a.martin@passmoresacademy.com)

## Long Road Sixth Form College Open Evenings

Year 10 students and their families are invited to attend their Open Evenings on Wednesday 2nd and Thursday 3rd July 2025.

The event is also open to Year 11 students who would like another opportunity to visit the college before making their final post-16 decisions in August.

Booking is now live, and all attendees must book a ticket in advance to ensure the event remains safe and enjoyable. Tickets are limited to a maximum of four per booking.

## Reminder of the Work Shadowing Day, Wednesday 2nd July 2025

Thank you to everyone who has completed their work shadowing day form, it is lovely to see the range of employers our students will be spending the day with on the 2<sup>nd</sup> July. This is a great opportunity for our year 10 students to observe a job role which may be of interest to them, but also a positive activity to experience what it is like to go to work and something they can add to their CV's. We are still accepting forms, so please can you get these in as soon as possible. The link to the parent consent form is: [Parental Consent Form](#)

If you have any queries or concerns, please contact Mrs Kay, at [j.kay@passmoresacademy.com](mailto:j.kay@passmoresacademy.com). **If your young person is having difficulty finding a placement, please ask them to speak to Mrs Kay or Mrs Bassett in school.**

The Army Foundation College invites you to a virtual Harrogate open event on Wednesday 9<sup>th</sup> July at 6.00pm. To book your place register on [Army Foundation College Harrogate Virtual Open Day](#)

## New Courses for year 11's at Hertford Regional College to start Sept 2025

### Level 1 Plastering Course:

This is a new course, which aims to progress students either to a Level 2 Plastering course after completion of our Level 1 course or to apply to an apprenticeship programme. They can also apply for another study programme course in construction or a different industry completely. The level will be determined by their tutor and based on grades.

### T level foundation course in science and engineering

The T level foundation courses are for students who want to complete a T Level course but have not achieved their English and/or Maths GCSE. The foundation course provides them with the underpinning knowledge towards starting their T Level, whilst giving them time to resit and attain their Maths and/or English.

Here is a government link explaining the foundation courses.

- An interest in working with children.
- A willingness to have a go at craft activities
- Availability on some Tuesdays or Thursdays

What you get:

- Experience and a reference for your C.V.
- Support from our team of experienced staff and volunteers

## PAVLOU & POWER: THE PAMPER HOUR

## GET PROM READY WITH US!

Date: Thursday 26<sup>th</sup> June

Time: 4pm - 6pm

Location: Activity Studio

### What's available?

- Hair styling (curls, slick-backs, waves and more)
- Make-up support (bring your own)
- Chill-out corner with treats and tunes

It's that time of year when lockers need to be renewed or emptied so that they can be reallocated to other students.

*(Year 11's... don't forget to clear your lockers and hand your keys back in!)*

If you any assistance, contact Kelly Kemsley in our Student Services office

There are lots of old padlocks in our bike sheds that don't appear to belong to any bikes!

Over the summer holidays, any unclaimed padlocks will be cut off and disposed of, so if you currently have a padlock in the bike sheds that is still used, please ensure that this is removed prior to the end of this school year.

Thank you!

## LOST PROPERTY

Lost property will be left out on the tables in the Heart Space on **Tuesday 22<sup>nd</sup> July.**

Anything unclaimed will be going to charity.

**Attention...**  
**All Year 11 Parents & Carers...**

Please can you ensure any medication you have in school is collected by Friday 27<sup>th</sup> June. After this date anything left will be disposed of.

Thank you

## New School Mural

We're working with Murwalls again to create a brand-new mural for the school - and this time, we want it to reflect *our school* community in a personal and meaningful way.

The theme is **togetherness, local community, and identity** – what connects us, what makes our area unique, and what we value as a school.

**We'd love ideas from both students and staff.**

You can send in:

- A person who inspires you (local legends welcome)
- A symbol, object, or pattern that means something to you
- A phrase, quote, or even just a word that feels powerful
- A quick sketch or abstract idea
- Something that represents the local area, our values, or just something you think would look brilliant on the wall

**Deadline: Friday 11th July 2025**

We have introduced this project to students during tutor time this week, and design sheets can be collected from forms.

If you fancy submitting something, or even just chatting through an idea, we'd love to hear from you. No pressure to be an artist – it's all about the message and meaning.

Thanks for getting behind this and helping us make something great!

On the 28th June, Friends of Passmores are holding their annual Summer Fete.

After cancelling last year's event, we would really love this year to be bigger and better than ever!

We have a few stall holders already booked but we would love more. Including, inflatables, games, clothing, and unique gifts.

We are also looking for volunteers to help with setting up and clearing down.

Please contact the team on the below email address if you can help:

The Children's Society East

Our CHHAT groups focus on promoting positive emotional and mental wellbeing for 8 – 18 yr olds, with these particular sessions focussing on children in **years 8 & 9**.

The team use a range of techniques tailored to support each young person to develop their emotional resilience; with the group programme aiming to help young people build self-esteem and confidence.

The service is open to children and young people who have parents or family members who are misusing substances or have been impacted by a family member's mental health.

We aim to create a safe, confidential space for these children and young people and will signpost/support additional referrals if appropriate.

# What Parents & Educators Need to Know about YOUTUBE KIDS

AGE RESTRICTION  
**4+**

## WHAT ARE THE RISKS?

### INAPPROPRIATE CONTENT BYPASSING FILTERS

YouTube Kids is less likely to show inappropriate material than YouTube, but there have been reports of the app showing age-inappropriate content to young viewers. One investigation found that YouTube Kids had shown videos that promote skin bleaching, weight loss, drug culture and firearms to children as young as two, as inappropriate content had bypassed the platform's algorithms and human moderators.

18  
CONSENT

### BE WARY OF ADVERTISING

Like Google's regular YouTube app, YouTube Kids features pervasive advertising before a video plays. While these adverts are designed to be family friendly and are subject to a strict review process, it's worth noting that YouTube Kids collects information around children's viewing to inform targeted content and advertisements.

BUY NOW

### DESIGNED TO BE ADDICTIVE

YouTube Kids is designed to be addictive. The platform's design features, such as the constant stream of new videos and the reward system of points or virtual stickers, can be very engaging and make it difficult for children to switch off. Research has shown that spending too much time using digital services such as YouTube can lead to screen addiction, affecting children's daily routines, studies, and even their social lives.

### SETTINGS CAN BE CIRCUMVENTED

YouTube Kids offers built-in parental controls, enabling you to set screen time limits and curate the content children are able to view; however, children are often more tech-savvy than we think. They can easily bypass or tweak these settings if they have access to the associated Google account password, thereby exposing themselves to age-inappropriate and potentially dangerous content.

### AI-GENERATED MISINFORMATION

There is also a risk of children accessing videos that contain disinformation and misinformation. A BBC investigation found that some YouTube channels are using artificial intelligence (AI) technology to create misleading 'scientific' videos that are recommended to children as educational content. These videos included conspiracy theories and ideas that lack scientific backing.

### DATA COLLECTION RISK

While there are limits on the data that YouTube can collect on children under 13, children can still inadvertently give away sensitive information when using YouTube Kids. The platform collects data on children's viewing habits, content searches and location, which YouTube and third-party advertisers can use.

## Advice for Parents & Educators

### PARENTAL CONTROLS

YouTube Kids offers several settings that allow you to manage what content children can view. For example, you can choose what level of content you want them to access, such as 'Preschool' or 'Younger'. You can also turn off the search function, so that only those videos approved by the YouTube Kids team themselves will appear on a child's recommendations list.

### CHECK WATCH HISTORY

YouTube Kids has made it easy for you to keep an eye on what the children in your care have been watching on the app. By clicking on the 'Recommended' icon at the top right of the home screen, you can see which videos they've been viewing, and how much of each. If a child watches YouTube Kids while signed into a Google account, you can check their history through Google's 'My Activity' page.

### SET TIME LIMITS

The built-in parental controls let you keep a tab on how long children spend watching videos. You can set a timer that limits screen time and disables the YouTube Kids app once a specified length of time has been reached. It's also worth speaking to children about the dangers of spending too much time on YouTube, to ensure they remain focused on other, more important activities.

### WATCH TOGETHER

It's important that you try to make YouTube Kids a fun and positive experience for children. One way to do this is by introducing watching sessions, where you all gather around and share the most enjoyable videos that you have recently watched. This can be a great way of giving you both new things to talk about and of keeping an eye on what they're watching.
