

6th October 2026

Dear Parent/Carer,

Re: 11 GCSE Photography trip to Gibberd Garden

I am writing to let you know about an upcoming afternoon trip for our Year 11 GCSE Photography students to Gibberd Garden in Harlow on Wednesday 14th October.

We will leave Passmores Academy at 1.45pm by school minibus and travel to Gibberd Garden, arriving when the gardens open at 2.00pm. Students will spend approximately two hours completing a series of photoshoots based on the theme 'Natural Forms'. This will provide valuable photographic work and inspiration to support their GCSE Photography coursework.

Students are welcome to get changed into non-uniform during their lunch break if they wish. As we will be spending the afternoon outdoors, clothing should be suitable for the weather and appropriate for outdoor photography, with suitable and comfortable footwear.

The visit will finish at approximately 4.00pm. Students can then make their own way home from Gibberd Garden. Alternatively, parents/carers are very welcome to collect their child directly from the gardens at 4.00pm.

There is no cost for this trip. However, parents/carers will still need to log into Arbor and provide consent for their child to attend.

We are looking forward to giving the students the opportunity to develop their photography skills and capture a range of images that they can use within their coursework.

Thank you for your continued support.

Kind regards,

Miss Richards
Head of Photography
Passmores Academy
