

18th September 2025

Dear Parent/Carer,

Re: Year 10 Land Based Studies course

I am writing to update you on a recent change to the arrangements for the Year 10 Land Based Studies course.

On the days Pets Corner is period one (8.55-9.55am) we would like to offer the option for students to go directly to Pets Corner, rather than come to school first. If you would like to request this option, please email me at m.fish@passmoresacademy.com by no later than 3pm Monday 22nd September. Please do not send your child directly to Pets Corner until your request has been approved via email.

If you have any questions, please don't hesitate to contact me.

Kind regards,

Mr M Fish
Vice Principal
