

12th October 2026

Dear Parents and Carers,

Re: Non-Uniform Day - Wednesday 21 October 2026

As part of our continued efforts to encourage and recognise positive behaviour, we are pleased to announce a Non-Uniform Day for eligible students on Wednesday 21 October.

To qualify for the non-uniform day, students must achieve zero behaviour points during the week of Monday 12 October to Friday 16 October.

This provides all students with an opportunity to demonstrate our school values and maintain excellent standards of conduct throughout the week.

Students who meet this expectation will be permitted to attend school in appropriate non-uniform on Wednesday 21 October. We ask that all clothing remains suitable for a school environment and complies with our usual expectations regarding health, safety and appropriateness.

Students who receive one or more behaviour points during the qualifying period will be expected to attend in full school uniform on the day.

We look forward to celebrating the positive choices made by our students and thank you for your continued support in maintaining high standards across the school.

Yours faithfully,

Daniel Shine
Assistant Principal
