

Spring Term 2024

March 2024

Issue 1

Hello and welcome to Friends of Passmores first ever newsletter!

We are very excited to be able to give you all the low down on our upcoming events, how much money has been raised and what we are spending the money on.

As this is our first newsletter, we would like to tell you a little bit about who Friends of Passmores are, what we do and how you can help.

Who are we?

Friends of Passmores (FOPs) is the Parent Teacher Association and we run different events to raise money for the school. We have been responsible for the Summer and Christmas Fetes, Bingo and Quiz nights and selling refreshments at discos, school productions and concerts.

The money raised is then put towards opportunities for our young people, for example, we have funded new geography equipment to help GCSE students, music instruments, a pool table for youth club, cameras for photography and this year we are trying to raise enough for a new set of laptops.

Currently, our team is made up of 11 wonderful staff members and parents of Passmores and we are always looking for more, we do not expect you to be at every meeting or event, but we would love you to help however you can.

How can you help?

We are always looking for more parents/carers to help at these events or coming to meetings to brainstorm new ideas. We do not expect you to be at every meeting/event but to know you could be available to help means the world to us. If you can help with the above events, please email the team using the address at the bottom on the newsletter.

As mentioned one of our events is the Easter Raffle Draw, this will be drawn on the 27th March but we are still looking for raffle donations, we would love to make up colour hampers that match the schools house system, we have made this a house competition with boxes just outside Head of House Office, so if you have anything that's packaging is **red**, **blue**, **yellow** or **green** that you no longer want please send in it for us.
