Dear parents/carers

Re: Options evening

Following Wednesday night's excellent turnout at Options Evening, I would like to thank all those who attended and hope that the evening was a success in terms of giving you all of the required information in the run up to selecting GCSE options.

I have attached with this email the presentations which we delivered so you have some more advice but if you need any further help, please do not hesitate to contact me d.chadwick@passmoresacademy.com or call me which is sometimes easier. If you need any advice about making choices via the SIMs app, we will be going over this after Easter in tutor time but the DataTeam datateam@passmoresacademy.com can help with this later perhaps.

Here is the link again to the Options booklet again [PowerPoint Presentation \(passmoresacademy.com\)](http://www.passmoresacademy.com) which gives you all the details of the process and subject.

Good luck in supporting your young person throughout the Options Process

Best wishes

David Chadwick
Vice Principal
